

## **SEMIFUSE<sup>®</sup> SMD PTC Re-Settable Fuses**

Semifuse SMD polymer PTCs provide a surface mount solution for the protection of sensitive electronic equipment. Below is a summary of the various sizes available.

<b>EIA Size</b>	<b>Maximum Dimensions (mm) – see Fig1</b>	<b>I hold (A)</b>	<b>Voltage (V)</b>
0805	A = 2.20 B = 1.50	0.10 – 0.50	6 - 15
1206	A = 3.50 B = 1.80	0.125 – 1.50	6 - 30
1210	A = 3.43 B = 2.80	0.05 – 1.50	6 - 30
1812	A = 4.73 B = 3.41	0.10 – 2.60	6 - 60
2016	A = 5.44 B = 4.43	0.30 – 2.00	6 - 60
2920	A = 7.98 B = 5.44	0.30 – 3.00	6 - 60
